Enclosure.

24th May 1911.

Gentlemen,

I return herewith your first entry report No. 60,354 on the new steamer "HELVETIA", and with regard thereto I have to request that you will be so good as to fill in, in the spaces provided on the report, the scantlings and particulars of the riveting of the poop and fore-castle side plating, I shall also be glad if you will state the length of the wing side tanks, with a view to the necessary insertion being made in the Register Book.

At the same time I have to draw your attention to the size of No. 2 side longitudinal as reported by you, and in view of the size approved I have to request that you will state if the size reported is correct.

You should also forward all the plans approved for this vessel.

I am, Gentlemen,

Your obedient Servant,

The Surveyors,  
NEWCASTLE.
