30th October, 1916.

Dear Sirs,

I duly received Mr. Henderson's letter of the 26th instant forwarding one from Messrs. The Forth Shipbuilding & Engineering Co., respecting the scantlings for their S.S. No. 27, and with regard thereto I shall be obliged if you will be so good as to ascertain from the Builders if they are in the same position as regards ownership of this vessel as in the case of their No. 26, in order that the question of the omission of the intermediate bulkhead in the forward hold may be placed before the General Committee.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

LEITH.
