Ref:- No. 220

7th June, 1912.

Dear Sirs,

I beg to acknowledge the receipt of your letter of the 6th instant and much regret that any inconvenience should have occurred to your goodselves through the non-delivery of the certificates of classification for your Steamer "JACATRA".

Upon telegraphic inquiry being made of the Society's Office at Glasgow relative to the Machinery certificate, I am informed in reply that the certificate in question was handed to the Engineers on Wednesday morning last, and was by them posted to you on the same day.

In the circumstances I wired to you this afternoon as follows, viz:-

"JACATRA understand machinery certificate posted to your goodselves by Engineers Wednesday fifth instant"

and I trust that this certificate has by this time reached your hands.

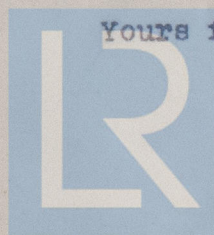

I am, Dear Sirs,

Yours faithfully,

Messrs. W. Ruys & Zonen,
