20th February, 1917.

Dear Sirs,

With reference to the case of your steamer "GRETASTON", I beg to acquaint you that the Committee have had before them a letter received from your Superintendent, from which it appears that arrangements have been made for the completion of the Boiler Survey on the vessel's return from her present contemplated voyage, and I have the pleasure to say that, in the circumstances, the Committee are agreeable to this arrangement.

I am, Dear Sirs,

Yours faithfully,

Secretary.
