vey due *Half Time Survey becomes due at the end of 1916.*

The Owners state this vessel has now arrived at Portmadoc and they intend putting her through the Half Time Survey. They find that the metal is in very good condition and will feel obliged if they may be allowed to run her again until say next March without re-metalling, provided the Surveyor is satisfied that the caulking beneath the metal is sound and satisfactory.

Submitted Chak provides sufficient metal is shipped to enable the surveyor to satisfy himself respecting the condition of the planking and caulking, the shipping of the remainder may be postponed until March 17 if in the opinion of the surveyor it is unnecessary to ship it now.
