

8.15.

Received by Chief Ship Surveyor 2.3.16

Received from Chief Ship Surveyor

VESSEL'S NAME ^{Ship} Single S.S. "FERGA".

Rpt. Dub. No. 3573.

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

ature of Survey

It is submitted the Glasgow Surveyors be informed this vessel is proceeding to that port where the machinery is to be fitted, and that in order to complete the Survey, part of the Engine & Boiler Casings, & Deck plating require to be riveted up, and the Decks & Waterways throughout to be tested, and the Steering Gear completed. — They should be requested to give the case attention & to report on Form 8 in due course.

M

3. 3. 16

The Report & ² approved plans should be returned, and the Dublin Surveyor requested to amend the plans to agree with the Ship as built; and also to state whether he is correct in reporting that double riveted straps are fitted to the butts of the Garboard Strake. *See Sec 4.2.15*
