Dear Sir

In compliance with the request as contained in your letter of the 3<sup>rd</sup> inst duly received I enclose the two approved plans of the new steamer "Torga" same being now amended to agree with the Report & with the vessel as built. With regard to your remark as to the riveting of butt straps of garboard stakes If you refer to the Secretary's letter of 4<sup>th</sup> Feby 1915 it will be seen that double riveted straps was under the circumstances approved. I may however add that the Builders at the time were informed that this concession was not to be taken as a precedent - not being in compliance with the Rules.

The Secretary.

I am Dear Sir  
Yours Faithfully  
MacWilliam
