Gentlemen,

With reference to Newcastle First Entry Machinery reports Nos. 64996 in the case of the steamer "FIGULINA", I have to request that you will state whether the surface of the front tube plates **is** included in the total heating surface given in the report, as from the boiler plan this appears to be the case, and I may point out that this is not in accordance with the Rules.

I am, Gentlemen,

Your obedient Servant,

Assistant to the Secretary.

The Surveyors,

NEWCASTLE-ON-TYNE.
