The Secretary,
London.

Dear Sir,

In reply to the note in the classing letter of the 29th inst. concerning my report N^o 3323 on the steamer "Enosis" I have to say that as the machinery of the vessel was not opened up I did not examine the repairs stated to have been effected at the River Plate. I have now filled in on the report a recommendation regarding the class which I regret having inadvertently omitted in my haste to complete it before leaving for Castle-townbere. The report is sent back herewith.

I am, Dear Sir,

Yours faithfully,
Herbert W. Dove.
