Wallsend Shipyard,  
Wallsend-on-Tyne.

Dear Sirs,

S.S. "ENOSIS".

For the satisfaction of Lloyds Register we have pleasure in confirming the arrangement made when the contract was entered into between us for the construction of the above vessel viz: that no ceiling would be laid on tank top except under hatches and over limbers. This condition is distinctly stated as you know in the specification signed by us.

Yours faithfully,

*P. Wigham Richardson & Co*
