ference

Dear Sir.

With regard to your steamer "Guzie" the engines & boiler of which are at present undergoing repair by Messrs Alex Hall & Co. at this port, I should be obliged if you would kindly inform me whether you desire to continue the vessel in her classification in the Society's Register Book, and whether you propose to carry out the requirements of the Special Survey No. 1. which became due in June last and is consequently ten months overdue.

Thanking you in anticipation of an early reply.

I am Dear Sir.

Yours faithfully.

Mr James Hindry.  
35 Broad High Street.  
Port Gordon.  
Banff.

Signed Ridley Howell.
