26th June, 1908.

Gentlemen,

I am in receipt of Mr.Turpin's letter of the 24th instant with enclosed report on the machinery of the S.S. "ENZIE", and with regard thereto I have to request that Mr.Turpin will be good enough to ascertain from the Owner and let me know when the new weigh shaft and brasses have been fitted and whether they are satisfactory.

I am, Gentlemen,

Your obedient servant,

Secretary

The Surveyors,

ABERDEEN.
