16th June, 1908.

Sir,

E. I am in receipt of your letter of yesterday's date enclosing one from Mr. Hollison respecting the case of the Steamer "ENZIE", and I have to say that the Surveyors at Aberdeen are being advised of the matter and requested to arrange to survey the engines when the repairs in question are completed.

I am, Sir,

Your obedient servant,

Secretary to the
Classification Committee.

The Secretary,

GLASGOW.
