16th February, 1917.

Dear Sirs,

I am in receipt of your letter of the 14th instant, respecting the account rendered by the Society's Surveyors Hull in connexion with the Survey of repairs of damage to your steamer "FRENCH ROSE", in November last, and in reply, have to point out that, in accordance with the terms of Regulation 29, paragraph 4, sub-paragraph 2, on page 7 of the Rules, for the Survey of damage repairs essential to the continuation of class, (whether a special damage report be required or not), a fee is chargeable according to the nature and extent of the services performed.

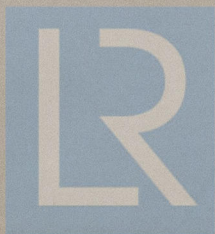

You will therefore see that the amount charged in the present instance is quite in order.

I am, Dear Sirs,

Yours faithfully,

S. R. Hughes & Co.,
17, James Street,
LIVERPOOL.

Secretary.
