Dear Sir,

I beg to acquaint you that the Steamer, "FACTOR", is at present undergoing repairs at this port. On enquiry having been made on board regarding the B.S. (last date in R.B. 4,17) the superintendent engineer stated that this survey had been all carried out recently at a port in Norway.

I shall be glad to know if this is the case.

I am, Dear Sir,

Yours faithfully,

J. G. Mackillop

The Secretary,

LONDON, E.C.3.
