Dear Sirs,

With reference to the classification in this Society's Register Book of the steamer "HAREWOOD", I beg to acquaint you that the Special Survey No. 1., which became due at the end of April 1917, was partly held at New York in March 1917 by the examination of the bottom, sea cocks and valves in dry dock, and I shall be obliged if you will kindly let me know, for the information of the Committee, when and at what port it will best suit your convenience to have the above survey completed.

I am, Dear Sirs,

Yours faithfully,

Secretary.
