The Secretary,  
London.

Sir,

In reply to your letter of yesterdays date having reference to the suction fitted in the S.S. "Fulgens" I beg to inform you that owing to a clerical <sup>error</sup> one 3½ Centre suction was entered on the report whereas it should have been 2-3½ wing suction.

I have corrected the report and return it herewith together with the plans.

I am, Sir,

Your obedient Servant.
