LOYD'S REGISTER

H.

31 MAR 1914

Sir,

With reference to your letter dated the 26th instant respecting the examination of screw shaft of the S S "FULANI", I have to acquaint you that the vessel is now here and the Owners Superintendent states she is to be placed in dry dock this time. As, however, she must sail on Saturday next he exceedingly regrets that it will not be possible to draw the shaft this time, but will make definite arrangements to do so on her return about ten weeks hence.

I am, Sir.

Your obedient Servant.
