ENCLOSURE.

Gentlemen,

With reference to the fee of £3:3:0 as per enclosed debit note for the damage survey held at Sunderland on the new steamer "ETHEL DUNCAN" which appears to be still outstanding, I have to request that you will draw the attention of the builders to the fact that the non-payment of this amount is delaying the classification of the vessel, and as the new edition of the Register Book is now in the press it is desirable that payment should be made without delay in order to ensure the necessary records appearing therein.

I am, Gentlemen,

Your obedient Servant,

Secretary.

The Surveyors,

LEITH.
