Dear Sir,

With reference to your Report No. 1151 on the Steamer "GRATANGEN", I think it well to remind you that the main boilers of this vessel require to be recaulked and made tight where necessary before the 10th May, and I shall therefore be glad if you will ascertain from the Owners and let me know, for the information of the Committee, what arrangements he proposes making for this matter to receive the necessary attention.

I am, Dear Sir,

Yours faithfully,

Secretary.

S.A. Eide, Esq.,
BERGEN.
