Received from Chief Ship Surveyor .....

SEL'S NAME S.S. "El Zorro" Rpt. Gms. No. 10,096.

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

### GROUNDING.

ture of Survey .....

This vessel is reported by the Grimsby Surveyor to have been examined as far as practicable afloat ~~and by a Diver~~, after grounding, and so far as could be seen no damage appears to have been sustained. The Surveyor however recommends that vessel be Dry Docked for further examination on her return to the U.K. on her present voyage.

It is submitted that action might be deferred and the Owners requested to state where & when the vessel will be placed in Dry Dock.
