The Secretary,

London.

Sir,

We are in receipt of your telegram having reference to the S.S. "EUPION" and in reply beg to inform you that the ship and engine reports are being forwarded to London tonight.

The machinery fee has been paid into this office this afternoon and we understand the ship fee has been paid in London.

The engine builders will be obliged if you will hand the engine certificate to the Owners representative in London and kindly obtain a receipt for same and forward it to the engine builders.

We are, Sir,

Your obedient Servants,
