The public are recommended to hand in their Telegrams at the Company's Stations, where a receipt is given for the amounts charged.

Telegrams for this Company's Cables are also received at all Post Office Telegraph Stations to insure transmission by the Western Union Telegraph-Cable System, the forms upon which Telegrams should be marked "Via Western Union," "Via Anglo" or "Via Direct." This indication is signalled by a special code.

Cable addresses are registered free of charge.

All important Telegrams should be repeated, for which an additional quarter rate is charged.

Referred to the Chief Engineer Surveyor.
