due Screw shaft survey due July 1915

In December last the Halifax Surveyor stated he had been informed by the Owners that this vessel was at Manchester and would be drydocked on her return to Halifax in the event of a drydock being available. In the circumstances the Committee agreed to the survey being postponed until the vessel's arrival at Halifax. The following telegram has now been received from the Halifax Surveyor:

MARINE SUPERINTENDENT STEAMER DURLEY CHINE REQUESTS EXTENSION TWO MONTHS TIME TAIL SHAFT SURVEY DOCK NOT AVAILABLE.

*Submitted for approval
 (The shaft is slightly larger than required by the Rules & is
 Committee's Minute fitted with a continuous liner)*
