Lloyd's Register of Shipping,

71, Fenchurch Street, E.C.

10th March 1916.

Dear Sir,

I have to acquaint you that on the 9th December last the Halifax Surveyor wrote that arrangements had been made to place the steamer "DURLEY CHINE" in drydock on her return to that port and have the screw shaft submitted to inspection. No further information has come to hand however from Halifax and as it would appear that the vessel arrived in the Clyde on the 27th ultimo I shall be glad if you will ascertain whether the shaft has been surveyed. If not you will be so good as to let me know how the matter stands.

I am, Dear Sir,

Yours faithfully,

Assistant to the Secretary.

The Secretary,

Glasgow.
