Secretary  
Lloyd's Register of Shipping  
London E.C.

I am in receipt of yours of the 26th inst referring to the S/s  
"Durley Chine" Tail Shaft inspection

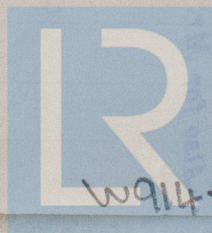

Capt Webb the Marine Supt. informed me that the vessel  
was now at the Port of Manchester. And his idea was to have  
the vessel dry dock at this Port on her return voyage here if the  
dock was available. Trusting this will be satisfactory

I am Sir

Your obedient servant
