25th July 1913.

Gentlemen,

I am in receipt of Mr. Allan's letter of the 24th instant respecting the rope equipment supplied to the steamer No. 168 ("DURLEY CHINE") now being built by Messrs. Osbourne, Graham & Co., and in reply thereto I have to inform you that the statement of equipment given in Mr. Allan's letter as now placed on board the vessel is in excess of the requirements of the Rules, and will therefore be approved.

In the circumstances I have wired you this morning, as follows, viz:-

"DURLEY CHINE equipment in excess Rule requirements
"therefore approved".

The plans forwarded for reference are returned herewith.

I am, Gentlemen,

Your obedient Servant,

The Surveyors,
SUNDERLAND.
