71, Fenchurch Street, E.C.

8th February 1917.

Dear Sirs,

With reference to the classification in the Society's Register Book of the Steamer "BRIKA", I have to acquaint you that the Special Survey No. 2, which became due on this vessel in August last, has been partly held at Newcastle by the examination of the bottom and rudder in drydock.

I may also point out that the annual Boiler Survey has become due in this case, and in the circumstances I shall be obliged if you will kindly let me know, for the information of the Committee, what arrangements you propose making with a view to the outstanding survey requirements receiving the necessary attention.

I am, Dear Sirs,

Yours faithfully,

Secretary.
