20th November 1916.

Dear Sirs,

I am in receipt of your telegram of to-day respecting the Steamer "BRIKA", and in reply I have to acquaint you that the Committee recently agreed to the postponement of the Special Survey No. 2, subject to this inspection being held before the expiration of the year of grace.

Some repairs require to be effected however, and the Society's Surveyors at Hull state that as the vessel has left their Port for the Mercantile Dry Dock, where the necessary repairs will be effected, they have forwarded the Deferred Reports on to you, and I shall therefore be glad if you will give the case the necessary attention in due course.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

NEWCASTLE-ON-TYNE.
