6th July, 1914.

Dear Sirs,

With reference to your report No.27491 on the steamer "CAMBRIC", I have to acquaint you that in a return so now received from the Newcastle Surveyors they state that in the absence of any instructions from the Owners the Captain was unable to inform them as to when the necessary repairs to the steering gear would be carried out and the Special Survey No.2 completed. I have therefore to request that you will ascertain from the Owners and let me know what arrangements they propose to make in regard to these matters.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,  
HULL.
