

Received by Chief Ship Surveyor 8. 3. 04

Received from Chief Ship Surveyor \_\_\_\_\_

VESSEL'S NAME Sac. S. S. "Clifton" Report Sed. No. 21708

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

Nature of Survey \_\_\_\_\_

First entry

It is submitted that before this case receives the consideration of the Committee the approved tracing of profile should be returned to the Surveyors and they should be requested to state whether the poop is joined to the bridge in the vessel as stated on their report, and if so they should correct the tracing of profile accordingly.
