Mr. W. R. Keene

Just a small note to
 you on Report of "Humbleton
 Range" the "Com. Ch. Length as
 per Rule" is given inadvertently
 as $25\frac{1}{4}$, whereas it should
 be $32\frac{3}{8}$ as on the Report now
 sent for "Cheviot Range" —

How that was given as $25\frac{1}{4}$
 cannot quite see.

Trusting you can hear that
 but right with kind regards

Yours faithfully
 W. R. Keene
