No. 852

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

Nature of Survey

It is submitted the Boston Surveyor
be requested by cable ^{was} to state the
number of bulkheads between collision bulkhead
& after bulkhead of Cofferdam which extends
to the upper deck at the ^{outside} sides of the
expansion trunk.
