

EXTRACT FROM LETTER OF MR.E.T.CHAMBERLAIN,
Commissioner of Navigation, Department of
Commerce, Washington, dated MAY 20th 1921.

I enclose a copy of the only official reports
we have concerning the CARROLL A. DEERING and S.S. HEWITT.
These are made to us by the Coast Guard Service and add
little, or nothing, I am sorry to say, to the information
you already have.

Mr Scott
