1st April, 1921.

Dear Mr. Salmon,

I shall be much obliged if you will kindly collect and forward all possible particulars regarding the loss of the s.s. "HEWITT", which, you will observe, belongs to the Union Sulphur Co., and is under the direction of our good friend Mr. J. R. Gordon, who will, no doubt, furnish you with any information in his possession.

Yours sincerely,

E. M. Salmon, Esq.,  
NEW YORK.
