Dear Mr. Mayne,

I beg to inform you that I have forwarded under separate cover the Skibsbygning no. 3 for 1920 and translations of the articles, which I showed you during your visit. I beg to suggest, that the article respecting "tank vessels" should be answered from the London Office or by me.

If you desire me to answer, I should be glad to know, if there is any special points you desire me to mention in regard to Dr. Bruhn's comparison Lloyds-Veritas.

I am, Dear Mr. Mayne

Yours faithfully
