18th June, 1920.

Dear Mr. Cox,

I was duly favoured with your letter of the 26th April in further reference to the loss of the Molasses tanker "MIELERO", and I am very much obliged for the information furnished.

It is observed that as the report from which you quote was made for other Parties, the matter must be treated as confidential.

If any further information should become available regarding the loss of the sister vessel "CUBADIST" I shall be glad to receive all particulars possible.

Yours faithfully,

H.J. Cox, Esq.,  
NEW YORK.
