14th August, 1913.

Gentlemen,

S. I am in receipt of your letter of the 13th instant enclosing one from the representative of the Owners of the Steamer "DERNES", requesting to be furnished with copies of the classification certificates of this vessel.

In the circumstances I enclose herewith a copy of the First Entry Certificate for the hull of the vessel (without the sketch of midship section) and a copy of the machinery certificate, and I have to request that you will hand these documents to Mr. Calvert, and collect the cost viz:- 10/- with which amount your account has been debited.

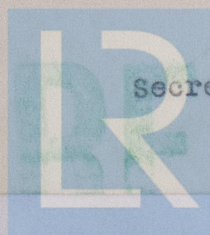

It is concluded that the original certificates have already been furnished by the Builders to the Owners and that the case is in order in this respect, but you should be satisfied by inquiry of the Builders on this point before parting with the enclosed copies.

I am, Gentlemen,

Your obedient servant,

The Surveyors,

HULL.
