Lloyd's Register of Shipping,

High Close, Wiltshire Road,

Wokingham, Berks.

19th January, 1940.

Dear Sirs,

R. With reference to the classification in this Society's Register Book of the steamer "VIDOVDAN", which is reported to have stranded at Great Natuna in the Malay Archipelago on the 15th ultimo, I am directed to say that the Committee will be much obliged if you will kindly favour them with the latest information you have received as to the extent of damage, prospects of salvage, etc.

The question of making a record of the casualty against the vessel's name in the Register Book will come under the Committee's notice on the 26th instant, and it is the practice in cases where it is thought necessary to make such a notation, to expunge at the same time the vessel's class from the Register Book.

I shall therefore be glad if you will kindly apprise me for the Committee's information of your views on this point.

I am, Dear Sirs,

Yours faithfully,

Messrs. The Overseas  
Navigation Trust, Ltd.,  
Stone House,  
Bishopsgate,  
LONDON,  
E.C. 2.

Clerk to the  
Classification Committee.
