WRECK BOX  
No. 9, 78p,

Dear Sir;

With reference to your letter of the 11th ultimo addressed to Mr. Hutchinson respecting my report No. 14485 of survey of the steamer "CITY OF WILMINGTON", I enclose herewith a plan showing how the water tube boilers of this vessel have been reconstructed, and would say that the alteration was made due to defective circulation in the old system.

I am, Dear Sir,

Yours faithfully,

*James D. Peat,*
