NOTICE TO THE SENDER
This Telegram will be accepted for Transmission subject to the Telegraph Acts and Regulations made thereunder, and to the following Conditions:—

NOTICE TO THE SENDER OF THIS TELEGRAM.

This Telegram will be accepted for Transmission subject to the Telegraph Acts and Regulations made thereunder, and to the following Conditions:—

1. The charge for transmission will cover the cost of delivery from the usual Delivery Office:—
 - (a) If the address is within three miles from the usual Delivery Office, or within the limits of the Town Post delivery of that Office (when it is a Head Post Office) if that delivery extends to more than three miles.
 - (b) If the Sender desires it to be forwarded by Post from the Terminal Telegraph Office and shall write the word "Post" before the Addressee's name, and at the end of the address the name of the Office at which the Telegram is to be posted.
2. The charge for delivery of this Telegram during ordinary office hours at any address beyond the limits of free delivery will be at the rate of 3d. for each mile, reckoned from the limits of free delivery. Provided that any fraction of a mile beyond any complete number of miles shall be reckoned as a mile. This charge will be payable by the Sender and should be prepaid.
3. If the Sender desires this Telegram to be forwarded by Train from the Terminal Telegraph Office, he must write the word "Train" at the end of the address, and must pay the actual cost of the conveyance, if such cost be known, or must deposit the sum of 1s. 6d. in advance.
4. The Sender may prepay a reply not exceeding in length 48 words. In such case a Form of Pass will be handed to the Addressee. The Pass will, within twelve months from its date, frank an Inland Telegram not exceeding in length the number of words stated on such Pass. If the Pass be not used, its value will be returned from Headquarters to the Sender on the application on application being made through the local Postmaster. The Pass must be left with the Postmaster when the application for the return of the amount is made.
5. A Telegram can be repeated back from Office to Office throughout the course of transmission if the Sender desires to add security against the risk of error. The charge for repetition (which must be paid when the Telegram is handed in) will be one-half the charge for transmission, any fraction of a 1d. less than ½d. being reckoned as ½d. If containing mercantile quotations or code words a Telegram ought always to be repeated.
6. The Postmaster-General will not be liable for any loss or damage which may be incurred or sustained by reason or account of any mistake or default in the transmission or delivery of a Telegram.
7. All applications respecting this Telegram must be made within three months from the date of its transmission.
