

Received by Chief Ship Surveyor _____

Received from Chief Ship Surveyor _____

13 JAN 1919

VESSEL'S NAME Steel S.S. "CARMEN". Rpt. Cpn. No 5600

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

(The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement.—Extract from Sub-Committee's Report, 2A/5/92.)

Nature of Survey _____

The Copenhagen Surveyors should be requested to state whether the indented shell plate in "C" strake, port side, referred to in their report No. 5396, has now been faired or whether in their opinion it is not necessary to deal further with this plate.
