18th October, 1915.

Dear Sir,

I have to inform you that the Society's Surveyors at Copenhagen state that the S.S. "CARMEN", Messrs. The Copenhagen Dry Dock Co's No. 131 has left their port without the third bower anchor being placed on board. The Owners however intimated that the same would be placed on board at Ardrossan.

I shall therefore be glad to be informed whether the vessel has yet come under survey, and if so whether the anchor has been supplied.

I am, Dear Sir,

Yours faithfully,

Secretary.

The Secretary,

GLASGOW.
