No. 4773

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/02.)

of Survey

1st Entry

It is submitted before this case receives the consideration of the Committee, the Copenhagen Surveyors should be requested to ascertain from the Builders or Owners whether the 3rd lower anchor has been placed on board and if so, at what port it will be convenient to have the same examined.

The Glasgow Surveyors should be requested to state whether this vessel has been under survey at their port & if so whether at 3rd lower anchor has been placed on board.
