10th October, 1917.

Dear Sirs,

With reference to the Classification in the Society's Register Book of the Steamer "CAYO BONITO", I beg to acquaint you that to complete the Annual Boiler Survey, and entitle this Vessel to a record of B.S.7.17 the Safety Valves of the Donkey Boiler require to be adjusted under steam.

In the circumstances, I shall be much obliged if you will kindly let me know when and at what Port you expect that an opportunity will occur for this small matter to receive the necessary attention.

I am, Dear Sirs,

Yours faithfully,
