of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

orsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also
g out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points
ed in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

The class of this vessel is subject to some indented plating
ng dealt with, and to a lifeboat being ~~supplied~~ repaired

The Port Said Surveyor now reports that the lifeboat has
n repaired.

The vessel appears worthy to remain as classed without record
urvey, subject to indented plating etc. being repaired, but
hout special conditions as regards lifeboat.

As now, subject etc.

Without etc.
