Dear Sirs,

I duly received your letters of the 25th ultimo and 12th instant, respecting the steamer "TYMERIC", and with regard thereto have to say that the Committee learnt with much regret of the loss of this steamer, and particularly of the great loss of life which was undoubtedly greater through the subsequent sinking of the rescuing vessel as well.

Thanking you for your intimation,

I am, Dear Sirs,

Yours faithfully,

Clerk to the  
Classification Committee.
