Dear Sirs,

We are duly in receipt of your favor of yesterday with reference to the "CRAIGFORTH", but we are sorry we are quite unable to say where and when she will complete the repairs occasioned by her accident in the Bosphorus, as she is now detained at Constantinople on account of the closing of the Dardanelles, and of course it is impossible for us to say when she will get away.

We will, however, advise you further immediately we are in a position to do so.

Yours faithfully,

DAVID RUSSELL & CO., LTD.,
