Dear Sir,

With further reference to your letter of 18th. inst.,
ref. M., we learn from our Alloa Works that they expect to
be able to complete the modifications to our S.S.25 before
the Vessel leaves for installing the Machinery, and we
confirm having asked you by telephone today to kindly
make the necessary arrangements for inspection, with a view
to classifying the Vessel 100A1, and we are pleased to note
that you will write today to your Inspector at Leith
requesting him to call at our Alloa Works. We are advising
Alloa of his expected visit.

Yours faithfully,
