Dear Sir,

Re L. N. 25

We are much obliged for yours of 18th. inst., and much appreciate the despatch with which you have dealt with the matter.

We have wired today to Alloa asking if the modifications you suggest can be accomplished without delaying the ship, and if so, to put the work in hand.

We will acquaint you immediately we receive their reply and no doubt if it is ~~possible~~ favourable, you will be able to make the necessary arrangements for the inspection as mentioned in your letter.

Yours faithfully,

For
